EXECUTIVE SUMMARY

PURPOSE AND SCOPE

The Council on Postsecondary Education and Kentucky Adult Education (KYAE) selected the Anderson County Board of Education (local provider) for a limited scope performance audit of its administration of the Adult Education and Family Literacy Grant for Anderson County. An on-site review was conducted on March 21 through March 22, 2005 to address the following objectives:

- Reconcile student and faculty data electronically submitted to Adult Education with the information retained by the local provider.
- Determine whether the local provider’s professional development activities comply with applicable professional development policies and procedures.
- Determine whether local providers’ expenditures and costs comply with the terms of their grant agreement and reconcile to invoices submitted.
- Report internal control weaknesses identified during our audit that relate to the audit’s objectives.

To accomplish these objectives, the performance audit team reviewed the Policy and Procedure Manual for Kentucky Adult Education, as well as the provider’s grant proposal and final agreement with KYAE. During the on-site review, the audit team reviewed the provider’s accounting records (trial balance/general ledger), interviewed program administrators regarding internal controls related to the above grants, and tested samples of participant files, personnel files, and expenditure documentation for compliance with applicable requirements.

RESULTS AND RECOMMENDATIONS

FINANCIAL REPORTING AND COMPLIANCE

Scope and Methodology

The KAE-10 Expenditure Reports were compared to the line item budget approved in the final agreement modification. This comparison was used to determine whether the provider’s reimbursements complied with the approved budget.

The KAE-10 Expenditure Reports were then compared to the internally generated financial records maintained by the local provider. This comparison was used to determine whether the local provider’s accounting records support the amounts requested for reimbursement on the KAE-10 Expenditure Reports.

Findings

No exceptions noted.
PARTICIPANT ELIGIBILITY AND RECORD KEEPING

Scope and Methodology

A total of 60 participants were selected randomly from the electronic student data sent from KYAE and compared to the documentation maintained in the participant files. We examined the files for the following:

- Proper eligibility documentation.
- Proper assessment testing.
- Evidence to support the achievement of goals/objectives.
- Agreed the establishment and achievement of goals/objectives to the information reported to KYAE.
- Proper separation from the program when applicable.
- Other requirements were tested based upon the applicable program requirements.

The participants tested received services during the period of July 1, 2003 and June 30, 2004.

Findings

No exceptions noted.
PAYROLL AND STAFF REQUIREMENTS

Scope and Methodology

A sample of 15 payroll disbursements was judgmentally selected for payroll testing. Personnel files were examined to verify that staff had received the required professional development training hours and had completed an Individual Professional Development Plan if applicable. Timesheets were examined for existence and approval. Personnel files were examined to verify evidence of the instructor’s bachelor’s degree. A determination was made as to whether the employee was included in the staff listing information reported to KYAE.

Findings

CPE and KYAE require all part-time instructors to obtain six hours of professional development training. There was one employee that did not have documentation to support the required level of professional development training.

Recommendations

We recommend that all part-time employees receive at least 6 hours of professional development training.

Provider Response

Professional development documentation will continue to be emphasized at the first staff meeting of the fiscal year. Time to update files will be provided at staff meetings periodically throughout the year.
PURCHASING/EXPENDITURE COMPLIANCE

Scope and Methodology

A sample of 6 expenditures, representing 20% of the total purchases, was selected judgmentally from the detailed general ledger. These expenditures were tested for authorization/approval, supporting documentation, proper recording, and that it was an actual expense during the grant period of July 1, 2003 and June 30, 2004.

Findings

No exceptions noted.
PROFESSIONAL DEVELOPMENT REIMBURSEMENT COMPLIANCE

Scope and Methodology

Professional Development expenditures were tested for proper authorization, supporting documentation, and adherence to approved rates and reimbursement policies. A sample of 3 expenditures, representing 20% of the total professional development expenditures, was selected judgmentally from the detailed general ledger.

Findings

No exceptions noted.
INTERNAL CONTROLS RELATING TO GRANT

Scope and Methodology

Anderson County Adult Education and Literacy’s fiscal administrator was given an Internal Control Questionnaire regarding the controls in place for cash disbursements, bank reconciliations, revenue, expenditures, and payroll. The questionnaire was completed by the fiscal administrator and reviewed for any significant control deficiencies.

Findings

No significant control deficiencies noted.
