Edelen Releases Audit of Harrison County Fiscal Court

FRANKFORT, Ky. – State Auditor Adam Edelen has released the audit of the financial statements of the Harrison County Fiscal Court for the fiscal year ended June 30, 2014. State law requires annual audits of county fiscal courts.

Recent changes in auditing standards require the auditor’s letter to communicate whether the financial statement presents fairly the receipts, disbursements and changes in cash and cash equivalents of the Harrison County Fiscal Court in accordance with generally accepted accounting principles in the United States. The report found that the financial statement of the Fiscal Court did not follow this format; however, the Fiscal Court’s financial statement is fairly presented in conformity with the regulatory basis of accounting, which is an acceptable reporting methodology. This reporting methodology is followed for 115 of 120 fiscal court audits in Kentucky.

The auditor noted no instances of noncompliance. The auditor also noted no matters involving internal control over financial reporting and its operation that were considered to be material weaknesses.

The audit report can be found on the [auditor’s website](#).
