**AUDITOR OF PUBLIC ACCOUNTS**

April 20, 2015

To the People of Kentucky

Honorable Steven L. Beshear, Governor  
Honorable Greg Stumbo, Speaker of the House  
Honorable Robert Stivers, President of the Senate  
John J. Johnson, Executive Director, Commission on Human Rights  
Marcia Seiler, Acting Director, Legislative Research Commission

In accordance with KRS 344.015(3), the Auditor of Public Accounts submits the Commonwealth of Kentucky's *Report on Compliance With Civil Rights Laws Including Agency Title VI Implementation Plans, Updates, and Compliance Reports* of state agencies.

Title VI of the Civil Rights Act of 1964 prohibits any program or activity receiving federal funds from excluding participation, denying benefits, or subjecting any individual to discrimination on the basis of "race, color, or national origin." In accordance with legislation passed by the 1994 General Assembly, state agencies receiving federal funds are required to develop an implementation plan and submit annual compliance reports to the Auditor of Public Accounts, so that the public may learn whether and how well state agencies are complying with Title VI. The Office of the Auditor of Public Accounts compiles Title VI plans, updates, and compliance reports of state agencies.

The results of this compilation are contained in the attached report.

Respectfully submitted,

# **REPORT ON COMPLIANCE WITH CIVIL RIGHTS LAWS INCLUDING AGENCY TITLE VI IMPLEMENTATION PLANS, UPDATES, AND COMPLIANCE REPORTS**

## **EXECUTIVE SUMMARY YEAR ENDED JUNE 30, 2014**

Title VI of the Federal Civil Rights Act of 1964 guarantees the access of all citizens to federally assisted programs. Section 601 of the Federal Civil Rights Act of 1964 states, “No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.”

### **Purpose and Scope**

In 1994, the General Assembly enacted Senate Bill 248 (KRS 344.015). This bill requires all state agencies to prepare and submit Title VI implementation plans and annual plan updates to the Auditor of Public Accounts and the Kentucky Commission on Human Rights by July 1 of each year, if the agency is subject to Title VI of the Federal Civil Rights Act of 1964. This report contains the Title VI implementation plans and annual updates due July 1, 2014.

45 KAR 1:080 states that the Auditor of Public Accounts is responsible for preparing and issuing the Statewide Single Audit of Kentucky, including compliance with Title VI requirements. 45 KAR 1:080 also details the format that agencies are required to use when submitting the initial Title VI plan and annual plan updates.

### **Compliance Assessment**

The Auditor of Public Accounts (APA) reviewed each agency’s Title VI implementation plan and annual plan update due July 1, 2014. A spreadsheet detailing each agency’s compliance with the 13 requirements of 45 KAR 1:080 was prepared and is presented herein (pages 15 to 20). See pages nine to 14 for 45 KAR 1:080. Note that one through 13 across the top of the table corresponds to the 13 required components per 45 KAR 1:080 Section (4). The six components to be updated annually are shaded.

### **Findings**

Twenty-three agencies received federal funds, except for universities and colleges, for fiscal year 2014, of which all 23 agencies submitted Title VI plans/updates. Of the submitted plans, all agency plan/updates were submitted by the July 1, 2014, deadline as required by KRS 344.015. No exceptions were noted during review of the submitted Title VI plans/updates, which supports agencies’ continued commitment to compliance regarding annual plan submissions. In addition, each of the 23 submitted plans were reviewed for compliance with Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency. Review identified that all 23 agencies developed a written LEP plan as required.

**SEC. 2000d-1.** Each Federal department and agency which is empowered to extend Federal financial assistance to any program or activity, by way of grant, loan, or contract other than a contract of insurance or guaranty, is authorized and directed to effectuate the provisions of section 2000d of this title with respect to such program or activity by issuing rules, regulations, or orders of general applicability which shall be consistent with achievement of the objectives of the statute authorizing the financial assistance in connection with which the action is taken. No such rule, regulation, or order shall become effective unless and until approved by the President. Compliance with any requirement adopted pursuant to this section may be effected (1) by the termination of or refusal to grant or to continue assistance under such program or activity to any recipient as to whom there has been an express finding on the record, after opportunity for hearing, of a failure to comply with such requirement, but such termination or refusal shall be limited to the particular political entity, or part thereof, or other recipient as to whom such a finding has been made and, shall be limited in its effect to the particular program, or part thereof, in which such non-compliance has been so found, or (2) by any other means authorized by law: provided, however, that no such action shall be taken until the department or agency concerned has advised the appropriate person or persons of the failure to comply with the requirement and has determined that compliance cannot be secured by voluntary means. In the case of any action terminating, or refusing to grant or continue, assistance because of failure to comply with a requirement imposed pursuant to this section, the head of the Federal department or agency, shall file with the committees of the House and Senate having legislative jurisdiction over the program or activity involved a full written report of the circumstances and the grounds for such action. No such action shall become effective until thirty days have elapsed after the filing of such report.

**SEC. 2000d-2.** Any department or agency action taken pursuant to section 2000d- I of this title shall be subject to such judicial review as may otherwise be provided by law for similar action taken by such department or agency on other grounds. In the case of action, not otherwise subject to judicial review, terminating or refusing to grant or to continue financial assistance upon a finding of failure to comply with any requirement imposed pursuant to section 2000d- I of this title, any person aggrieved (including any State or political subdivision thereof and any agency of either) may obtain judicial review of such action in accordance with chapter 7 of Title 5, and such action shall not be deemed committed to unreviewable agency discretion within the meaning of that chapter.

**SEC. 2000d-3.** Nothing contained in this subchapter shall be construed to authorize action under this subchapter by any department or agency with respect to any employment practice of any employer, employment agency, or labor organization except where a primary objective of the Federal financial assistance is to provide employment.

Each Title VI implementation plan and update submitted by federally funded agencies was reviewed to determine if the agency was in compliance with the requirements of 45 KAR 1:080 and KRS 344.015. Twenty-three agencies received federal funds except for universities and colleges for fiscal year 2014, of which all 23 submitted Title VI plans/updates. Universities and colleges are not listed in the Schedule of Expenditures of Federal Awards or the Statewide Single Audit of Kentucky and have their own reporting requirements for Title VI. The table below presents the detailed results of each agency's compliance with specific requirements. Columns one through 13 in the table correspond to the required components of 45 KAR 1:080 Section (4). The six components required to be updated annually are shaded. The LEP column identifies whether agency plans comply with Limited English Proficiency (LEP) requirements of Executive Order 13166. A summary of compliance problems identified for each required component is presented at the end of this section.

**Schedule of Compliance With 45 KAR 1:080 Section (4)  
For The Year Ended June 30, 2014

In reviewing the Title VI plans for compliance, problems were identified in the following areas:

<b>45 KAR 1:080 Requirement</b>		<b>Problems Identified</b>
1	Glossary	0
2	Overview	0
3	Scope Applicability	0
4	Responsible Official	0
5	Statement of Assurances	0
6	ID Programs Under Title VI	0
7	Complaint Procedures	0
8	Noncomply-Comply Report	0
9	Agency Training Plan	0
10	Evaluation Procedures of Plan	0
11	Notice and Outreach	0
12	Record Keeping and Reporting	0
13	Minority Representation on Board	0

No exceptions were noted during review of the submitted Title VI plans/updates, which supports agencies' continued commitment to compliance regarding annual plan submissions.

In addition, each of the 23 submitted plans were reviewed for compliance with Executive Order 13166, Improving Access To Services For Persons With Limited English Proficiency. Review of the Title VI plans for compliance found that all 23 agencies incorporated a written LEP plan within their Title VI report. Agencies do have flexibility in developing a written plan to address the needs of the LEP population. Agencies serving very few LEP persons and agencies with very limited resources may choose not to develop a written LEP plan. However, the absence of a written LEP plan does not prevent the agency from the obligation to ensure meaningful access by LEP person to the programs or activities. If the agency does not develop a written plan, then alternative ways to articulate meaningful access should be performed to effectively fulfill the requirements set forth in Executive Order 13166.

**Conclusion and Recommendation:**

The Title VI implementation plans and/or updates submitted by agencies receiving federal funds have been examined for compliance with 45 KAR 1:080 and Executive Order 13166. No instances of noncompliance were noted as discussed above.

Each agency will receive a copy of the report in accordance with 45 KAR 1:080, KRS 344.015, and Executive Order 13166. We recommend that agencies carefully review the provided laws and regulations to determine necessary actions to take in order to maintain continued compliance with the Title VI reporting requirements.
