Statement from Auditor Harmon Regarding House Passage of Senate Bill 168

FRANKFORT, Ky. (March 21, 2016) – “I want to thank my former colleagues in the House of Representatives for their passage of Senate Bill 168, and I look forward to Gov. Matt Bevin signing the bill into law.

SB 168 essentially allows our office to continue doing special audits or examinations of city governments when we determine a valid reason to do, but it clarifies our duties and codifies them in statute. I want to thank Senator Steve West for sponsoring SB 168, our General Counsel, Sara Beth Gregory, for her hard work in helping craft the bill, and J.D. Chaney along with everyone at the Kentucky League of Cities, who worked with us and supported this piece of good government legislation.”
